Trespectfully return, without my approval; the above resolution for your provided by Council. J. J. W. Scales, Recorder of the city of Memphis, do solomnly awar that the bows report is true and correct.

JOHN J. JOHNSON, Mayor,

Received and see and seed a We have mentioned \$2,000,000 as a sum sufficient to procure the steamers. This looks like a very pairry amount when the mignitude of the undertaking is considered. It would scarce taking is considered. It would scarce taking is considered. It would scarce taking is of first class rall road, and yet we, doubt if any time hundred white of front is not the Manufed white of first class rall road, and yet we, doubt if any time hundred white of first class rall road, and yet we doubt if any time hundred white of first class rall road, and yet we doubt if any time hundred white such as one to the first class rall road white such as one to the first class rall road, and yet we doubt if any time hundred white of first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the South, representing a sum to the first class rall roads of the south to the sum to the first class rall roads of the south to the sum to the first class rall roads of the south to the sum to the first class rall roads of the south to the sum to the first class rall roads of the south to the sum to the first class rall roads of the south to the sum to the first class rall roads of the south to the sum portance. What is such a sain to the railroads of the South, representing a hundred millions or more of property? In answer to the above reachulon, I have connection of fifty utiles an important connection of fifty utiles expenditure, and yet it seams not to the subscious first can be made the great connection with Europe. Gentlemen, if you mean business, go to your convention to take up the important subject and deal way. If no re-presenting a hundred millions or more of property? In answer to the above reachulon, I have connected to them to combine and make the great connection with Europe. Gentlemen, if you mean business, go to your convention to take up the important subject and deal property. In answer to the above reachulon, I have connected and paid over to they would say that the fills to the sack in the Memphis, do solemnly swear that the Memphis and connection of fifty utiles the company; nor continued from last month, 0.—865. State cames, 51; number of assess continued from last month, 0.—865. State cames, 51; number with the understanding of the Board and fixed, 504; number cases appealed, 8; amount of mitting and paid over to the sack and paid over to they treasure, \$2020-55.

I, J. W. Scales, Recorder of the city of Memphis and connection of fifty utiles the city, it never having been transfer can be made without the authority of the Gainers Connection with Europe. Gentlemen, if you mean business, go to your convention to take up the important subject and deal substitution of the city of the company; nor convention to take the transfer is not in sever having been transfer can be made to the month of March, 1871.

Stock in the March of the city of Memphis and connection of the city, it never having been transfer can be made to the month of March, 1871.
